

Mary

A Christmas nativity scene with the Holy Family and many other characters from the birth story of Jesus is an old tradition in many families and, for many children, an important part of the Christmas experience as well as their later memories. Mother Mary represents a pure, light and loving energy. As the mother of Jesus, she embodies the maternal, gentle, accepting, yet powerful and wise energy.

Mary **for CHF 27.00** instead of CHF 54.00

Mary small **for CHF 13.50** instead of CHF 27.00
