

Polka dot balls

With the purchase of the Polka dot ball, you not only acquire a unique item, but at the same time support people who have been excluded from the first labor market for a long time. The spheres are mouth-blown and then finished and sandblasted by hand by GLASDESIGN in Bern. GLASDESIGN provides services for the public and combines crafts and the professional and social integration of the long-term unemployed. Do good!

Care recommendations (print version)

Nr.	Bezeichnung	Masse	Preis
596.3	Polka dot ball Ø 70 mm	Ø 70 mm	CHF 21.00
596.4	Polka dot ball Ø 90 mm	Ø 90 mm	CHF 25.00
