

Children's ball Flowers

Please be patient: Delivery period 4-6 weeks! Ideal gifts for occasions such as birth, baptism or birthday. Heat resistant drinking glasses or balls with different fused subjects and name if desired. Each glass is fashioned especially for you!

Manufacturing technique: Free blown and shaped at the burner from glass tubes and glass rods - so-called "Lampworking".

Please enter only one name per glass (maximum of 20 characters).

Care recommendations (print version)
