

Burriera gross

Our elegant glass butterholder is a real eye-catcher on every breakfast table. The top blown and moulded by hand, while the lower part is carefully poured into a cast. It fits butter for up to 250 g butter but also suitable for example for cheese. The Burriera large is not only aesthetically appealing, but also extremely hygienic.

Care recommendations (print version)

Nr.	Bezeichnung	Masse	Preis
306.1Z0	Burriera large lower part	200 x 140 x 20	CHF 30.00
