

# Budell

The design with the curved neck gives the Budelle its elegant shape and at the same time, the curve fulfills another purpose: the content is also accelerated and thus enables drip-free pouring. Optimal for water and/or wine and in some occasions, it can be even used as a vase.

Care recommendations (print version)

Nr.	Bezeichnung	Masse	Preis
12001	Budell (1 decilitre)	Ø 48 x 150 mm	CHF 24.00
