

Inflated beaker

The timelessly beautiful, classic Inflated beakers are still mouth-blown according to the old glass-blowing tradition and the rim is raised freely by hand. Each one a little different and each one unique. Probably the most beautiful beaker if you love the craft!

Care recommendations (print version)

Nr.	Bezeichnung	Masse	Preis
351.2	Inflated beaker 1 dl	Ø 65 x 83 mm	CHF 28.00
