

Burriera

Our elegant glass butterholder is a real eye-catcher on every breakfast table. The top blown and moulded by hand, while the lower part is carefully poured into a cast. This gives the Burriera a unique and appealing look that immediately catches the eye. The glass butterholder is not only aesthetically appealing, but also extremely hygienic.

Care recommendations (print version)

Nr.	Bezeichnung	Masse	Preis
306	Burriera small	185 x 120 x 60	CHF 64.00
