

Youth vases

Is there a household in which this classic is not to be found? We call it Youth vase - our customers call them elephant's foot. Roberto Niederer designed the smallest one in the 70s. Today they are available in three sizes.

Production method:

The liquid glass is poured with skill into a mould with three bulges and stretched and blown into the right shapes.

Care recommendations (print version)

Nr.	Bezeichnung	Masse	Preis
221.2	Youth vases	Ø 150 - 200 x 500 mm	170.00 CHF
221.3	Youth vases	Ø 150 - 200 x 700 mm	190.00 CHF
