

Raindrop hanger

Raindrops keep falling on my head. The balls and raindrops turn the world upside down - amazing! You have to have more than one raindrop hanger!

Production method:

Glass tubes and glass rods blown and shaped at the burner - so-called "lamp technique"

Care recommendations (print version)

Nr.	Bezeichnung	Masse	Preis
582	Raindrop hanger	Länge ca. 180 mm	19.00 CHF
