

Inflated umbrella

The umbrella stand with inflated rim displays craftsmanship and durability. It is an alternative to the cut umbrella stand. A question of taste!

Production method:

Mouth-blown into the mould. Rim inflated by hand. Heavy pieces - these demand high levels of glass-making skill!

Care recommendations (print version)

Nr.	Bezeichnung	Masse	Preis
208.1	Inflated umbrella small	Ø 170 x 420 mm	295.00 CHF
208.2	Inflated umbrella large	Ø 230 x 520 mm	450.00 CHF
