

Napkin ring

Previously napkin rings were in every household. Today it is no longer a sin to use pretty paper napkins. The napkin ring is a typical product of Roberto Niederer and fortunately still has its fans.

Production method:
Hand-poured and placed around the mould.

Care recommendations (print version)

Nr.	Bezeichnung	Masse	Preis
295	Napkin ring smooth	30 x 65 mm	12.00 CHF
