

## Goblet Grappa/Champagne Melanie

The Champagne goblet from the Melanie series presents itself as elegant, high-quality and on a tall stem. Blown by the mouth, the stem drawn by hand, the foot twisted and attached by hand, the champagne goblet sets a stylish accent on every occasion.

A grappa with coffee goes perfectly! The mouth-blown Grappa goblet Melanie is worthy of your precious grappa! The glass has a timeless, classic design.

There is a matching red and white wine goblet and a water glass Melanie.
