

Stacking box with lid

Consists of 2 boxes and 1 lid

The 2-tier stacking box is suitable for stylish and space-saving storage of sweets and pastries. Tip: Use the stacking box for purely decorative purposes and fill the levels with sand, mussels, dried leaves and flowers or even Christmas decorations, for example. Do you need more space? No problem! Buy single boxes and stack them as high as you want. A practical, decorative accessory that goes well with any living environment.
