

# Carafe Diamante

Beautiful and special. The mouth-blown glasses and the carafe with a grooved look make every drink an eye-catcher. What is particularly striking about this new glass series is its unusual shape; it appears noble and elegant.

A champagne and grappa goblet and a tumbler are available to match the wine glasses, water glass and carafe.

This special offer is available at reduced prices until December 3rd, 2023.

Box of 6 pieces White wine goblet Diamante **for CHF 236.00** instead of CHF 336.00
