

Champagne & Grappa goblet Toscana

Enjoy your champagne or prosecco from this special, hand-blown glass. Thanks to its slim, slightly narrowed shape, the tingling, refreshing feeling lasts longer. Delight your guests with a fine glass of the highest quality.

A Grappa with coffee goes perfectly! The mouth-blown Grappa goblet Toscana is worthy of your precious grappa! The glass has a timeless, classic design.

A perfect match to our Red and White Wine Goblet Toscana, as well as the water glass Toscana.
